Re: College of the State Bar's 2009 Franklin Jones Best Continuing Legal Education Article

Dear Mr. Orsinger:

As mentioned in my recent telephone call, on March 26, 2010, the State Bar College (SBC) Board of Directors voted to designate your outstanding continuing legal education paper "Practicing Family Law In A Depressed Economy" parts 1 and 2 as the Franklin Jones Best Continuing Legal Education Article Award for 2009. I understand that you presented this paper at the 35TH Annual Advanced Family Law Course, August 3-6, 2009 in Dallas, Texas.

Congratulations on this achievement. The SBC would like to award you with the plaque at the State Bar Summer School in Galveston, July 22-24, 2010.

If you choose to receive your award at a different place and time please let me know at least ten days prior to the event. You may contact me at Veronica.Jacobs@hvlp.org and 713-228-0735 ext. 120. Again, congratulations on your award.

Sincerely,
